

Pastor Dr. Kenneth Bivens is a Christian. I joined Sacramento Theological Seminary and Bible College in June 2021 as a supporter of the vision of former President, the Late Bishop Dr. John Blouin. My role was to recruit former college students who served God and Country overseas, were former graduates of STS and wished to continue pursuing higher learning through STS. A short while later, the President addressed another opportunity with me to start a Distant Learning Center in Georgia. I gladly accepted the offer and began the journey recruiting students for higher learning through Christian education. Great success followed and again I was offered an opportunity as Regional Dean of Campuses East Coast where I currently serve with grace and love.

I earned my Doctor of Divinity degree at Sacramento Theological Seminary and Bible College in May 2021. Prior to this, I earned my Bachelor of Science Management degree at Park University in 2003. As Regional Dean, I manage day to day operations, teach classes weekly overseeing academic affairs for 48 students currently enrolled in the Cordele, Georgia Campus. I am the full time Senior Pastor of Greater New Birth Family Outreach Ministry, Cordele Georgia. I am Founder, Saving Grace Ministries, Inc. a 501©3 Non-profit organization meeting the needs of people in our communities and making disciples for Christ. My goals are to foster an environment of achievement, excellence and professionalism that add value into the lives of STS students everywhere.

I am a Certified Master Life Coach, contributing author in the anthology "Passion Released," decorated retired Marine of 22 years dedicated service, substitute school teacher, husband, father, grandfather and community leader. I love the new life Christ has given me and am abundantly blessed.
